mmmm Biza The Action

ly name's Sally and I've been married to Alan for nearly five years.

Alan's been bugging me for ages to see if we could get some of our pictures printed in Escort.

I also thought it would be a turn-on to tell your readers what happened when we went on holiday to Ibiza last year.

We were in a bar one night and were well drunk.

Alan had been playing with my clit under the table all night to see if he could make me cum, so I was in a stunningly horny mood.

At one point, I headed off to the loo, only to find there was a queue.

As I waited, I got talking to this girl from Newcastle in

whispered back, offering me her pussy.

I was shocked and didn't know what to say, so the girl grabbed my hand and thrust it between her leas.

I was trembling all over as my fingers felt her wet lips and a guilty flush washed over me.

I slipped a finger inside her, then a second and third.

The girl spread her legs nice and wide, so I tried a fourth, but I was trembling so much that my legs gave way.

I ended up on the floor with her pussy a mere six inches from my face and I just couldn't help myself - I had to lick it.

The girl didn't bulge as I went to work and I sucked, nibbled and tongued her

and stuffed her face into me from

behind.

It felt really dirty having another girl manhandle me like this and it just got better when she started licking my cunt and arsehole.

I could've cried out with joy, the whole thing was so filthy, and I started to cum after just a few seconds.

As I was clenching against her face, the girl stuck her slippery fingers up my tight little arse, boosting my pleasure beyond belief.

When I found Alan again, he smelt the sex on my face and knew something was odd straight away.

I told him what had happened, so he whisked me back to our hotel room and fucked me in the arse.

He must've been horny because he finished himself off all over my face, spraying his hot come all over me and groaning before I grabbed his prick and licked it clean.

Now we want to meet up with girls who want to join me while Alan watches.

I'm really up for it, and want to meet as many girls as possible so get in touch. And if Alan can join in, he so much the better!

Sally, Yorkshire.

NOTED UP ON THE FLOOR WITH HER PUSSY A MERE SIX INCHES FROM MY FACE.

front of me and we ended up sharing a cubicle.

When it was her turn to go, she pulled her little skirt up around her waist and I saw that she had neither pants nor pubes. She was totally bald.

"Mine's bald too," I whispered, keeping my voice down so that no one would hear us. "It feels nice like that.'

"Here, want a feel?" the girl

silky smooth pussy as she 🚶 stood over me.

All of a sudden, she tensed and came over my face, moaning quietly so that no one would hear.

This was the first time I'd ever done anything like this and it felt incredible.

She then told me it was my turn and bent me over the toilet.

She pulled my mini-skirt up and my panties down

Attractive girls with cracking charlies getting pronged sometimes the simplest ideas are the best, and Private don't waste too many frills around the edges of this one. Anna Bell is a particularly good-looking lovely, and she looks a treat as her perfectly shaven snizz takes a reaming, but it turns out she's just an appetizer for the hardcore jollies to follow. Nekane's (debut) anal session demonstrates clear promise in the field, while a DP for Candy Alexa more than compensates for the fact that Kyra's boobs look a wee bit augmented!

What do you reckon you'd find if you followed a load of mysterious signposts directing you to 'Roadside relief'? Turns out it's very friendly tranny, who's more than happy to suck your cock if you suck hers! And that's just for starters – there are two full discs' worth of roadside filth on offer here, with everything from tonsil-tickling trannies to a trio of caravan lesbians and, well, some actual straight sex thrown in here and there as well! Who'd have guessed that the highways and byways of this land were so full of frantic fuckery? Available from your local sex shop.

I'm not the kind of guy who likes to boast, but my wife's got boobs that would give Sapphire's pair a good run for their money (although both girls would probably give themselves a couple of black eyes if they ever actually went for a run!). My mates couldn't believe it when I first started going out with her - especially when I started telling them about the sensational tit-wanks I was getting. And I'm happy to say that, after 14 years of marriage, my missus still loves

Whoppe

to oil up her massive jugs, push them together and let me slip my stiff prick between them. It never takes long before I'm spunking away, and she still likes to gobble up every drop, the dirty mare! Lloyd, Wells.

I hope you make sure your missus is well rewarded for all the tit-wanks you get!

My cock's been either rock hard or rubbed sore ever since I clocked the photos of Lu Elissa in 37.03 - what a fantastic natural beauty and she's clearly a girl who loves sex just as much as I do. On pages 8-9 she's shown presenting her gorgeous pink and hairless pussy (and arse!) in every shot, clearly just desperate for a big cock to come to the rescue.

What I wouldn't give to have that honour! Graeme, Swansea.

You're probably not the only one!

I was just catching up with 37.02, but I thought you ought to know my copy seems to have some problems in the cutting/binding. Was mine the only one? The problem starts on page 5, which is alright, but then there's no page 6, and then pages 7-9 are all on the wrong side, and things don't really sort themselves out again until page 17. I'd like to know your views on the problem. Chris, Norfolk.

Yes, sorry about that Chris - and everyone else who had a squiffy copy. There was an issue in production that effected a batch of issue 37.02s. Needless to say, the person responsible has been taken out the back and shot.

Fucking British sluts? Well, there are worse ways to spend your time, that's for sure! This release features over 3 and a half hours of Amateur shagging, with cock-mad slappers like Carly G and Natalie K draining every pair of balls they come across. Real people having real, filthy sex – let's face it, it's what kept the human race going for thousands of years! Available from your local sex shop.

Doc Johnson Crystal Jellies 10 Inch Classic £16.95

Sextoys.co.uk

Doc Johnson's been churning out 'marital aids' since the year dot, but sometimes the oldies are the best - and if it's a whopping 10 inches thick jelly cock to slip to the missus, then you need look no further. With a circumference of over 4.7 inches, this'll have her wailing in delight! And you can get a MASSIVE 15% OFF if you quote code PRP2017.

As he continued to snog her he kneaded her tits with his hands, and I concentrated on frigging her slit.

y wife and I have always enjoyed a fairly honest relationship, exploring each other's fantasies and making sure that we're both fulfilled in the bedroom department. However, when Sue suggested getting another man involved, I have to admit that it took me aback somewhat. It was something that we talked about for ages and took a long time to decide on. However, once we had both had time to get used to the idea, we decided to give it a go. Sue had explained that it wasn't that I didn't satisfy her, more that it was a fantasy of hers to do it with two men at once. to be a totally wanton woman for one night. Given how many men - myself included - have fantasised about doing it with two women at once, I couldn't really blame Sue for having similar thoughts.

We agreed that the man we picked would be someone we both agreed on, someone we didn't know personally, and that we'd meet on neutral ground, so to speak. Eventually, we made contact through a website with a guy in Lincoln called Mike, who seemed ideal. We talked on the phone a couple of times and met up for a drink, prior to committing to anything sexual. His motives were pretty simple - he liked sex but didn't want a relationship. That seemed fair enough to us, so once the terms had been agreed, we made arrangements to spend the night at a rented house in Cambridgeshire.

Mike was waiting for us when we arrived, and the three of us settled down for a meal before getting on to the main event. I think all three of us were nervous, but I'd brought along a couple of adult movies, which we

put on the DVD player. This got us more in the mood, and when Sue invited Mike to join us on the sofa, I knew things were about to get going.

Now, even though we'd talked this through a lot, I still got a major twinge of jealousy when Mike leaned in and kissed Sue for the first time. As he snogged her, she reached behind with one hand and felt her way to my crotch, starting to rub it, to bring me to stiffness. Rather than sit there, I got involved, pushing my hand between Sue's legs, which parted for me. and rubbing her twat. Even through the knickers and tights she was wearing, I could feel the heat coming off her.

Sue broke off from Mike long enough

front of the sofa. She was obviously really turned on, and she told us both to get our pricks out.

Well, it was a bit of a struggle given how stiff they were - but we eventually managed it, and Sue was staring at two raging hard-ons. She smiled and grasped them both, leaning over us as she took Mike in her mouth and wanked me off, then moved over and sucked me off as she wanked Mike. It was all getting pretty intense, and watching her move back and forth from cock to cock was really horny.

Sue then lay on her back and told us to get naked and undress her. which we did. Then she told Mike that she wanted to feel his dick inside her. He glanced at me and I nodded. At that he wasted no time in sliding his stiff pole into her dripping cunt. Meanwhile, I

shuffled round to her head and stuffed my hard tool into her mouth. This was what Sue said that she had wanted to be filled with cock at both ends. And Mike and I were more than happy to oblige!

We started to seesaw - me thrusting my cock into Sue's willing mouth as Mike pulled out, and then the reverse and from Sue's moans of pleasure it was obvious that she was getting off on it. Pretty soon, Sue tapped me on the arse to tell me to pull out.

"Babe, I don't think I can do you both at once much longer. Let Mike fuck me, and then vou fuck me." Sue's face was flushed and she was breathing really fast as Mike continued to hammer into her snatch. She was moaning and whimpering as his thrusting speeded up, and I could tell that she was really getting off on it. Mike must have been as turned-on as Sue was, because within a couple of minutes he came, grunting and groaning before

slumping over her for a few seconds. then pulling out, a dribble of his hot come trickling out of her snatch.

Sue looked over at me. "Well, come on then..." I shuffled round so that I was between her legs, looking at her puffy, pink and spunk-filled pussy. Needless to say, my cock slid inside her without any trouble. She looked up at me, said, "Fuck me good and hard," and then ordered Mike to bring his cock round so that she could lick the come off it, whilst I fucked her.

I'd never seen Sue act like this, and I have to admit that it was a massive turn-on. Even though it was odd watching my wife sucking another bloke's dick, the sheer raw sexiness of it made it pretty easy to overcome any feelings of lealousy I was having. It was astonishingly horny, thrusting in and out of her snatch as I watched her licking Mike's cock clean, and even though I tried not to, I came pretty quickly, shooting my load hard and deep inside Sue's minge.

We fucked a couple more times that night, until Sue's fanny was too tender to carry on, and in the morning we settled the bill and went our separate ways. Mike was a real gentleman throughout, and didn't try to take the mick, or break the rules that we'd agreed. On the whole, I think it has made our relationship that little bit more exciting, and Sue's now suggesting it might be fun to get a girl involved. Well, I've got absolutely no concerns about that! @

to tell me to finger her, so I ripped her tights at the seam and slipped my hand inside and underneath her knickers. Her slit was already wet, and two of my fingers slid inside her pretty easily.

Sue started to push against my hand, and my fingers slid deep inside her slit. Mike was really getting into it too, and he'd opened her blouse and pulled her bra down, exposing her tits. As he continued to snog her, he kneaded her tits with his hands, and I

and thoroughly enjoying herself, so I eased up her skirt and pulled her panties aside.

I was amazed at how wet she was and scooped a little up with my fingers to taste.

My cock was now practically bursting for release, so I slipped in into her from behind and she started bucking back against it as she sucked on this disembodied member.

Vic came on my cock and I could tell by the noises that our friend was shooting his load into my wife's mouth and the spunk-greedy girl was swallowing the lot.

This was too much for me and I filled her luscious cunt with a hot salty load.

The cock disappeared as quickly as it had appeared and we heard the door of the next booth open and swing closed again.

Vic turned around and gave me a smile and I couldn't believe how much cum she had all over her chin.

"Better clean up before we leave," I told her, handing her a tissue

always look forward to my husband getting the latest issue of Escort because I know that once he has had a good look at it, he will get so turned on that I will be up for a really good dirty fuck.

I have just turned 40 and am highly sexed – in fact I want sex now more than ever!

As I lay on my bed this morning I started to fantasise about him seeing me in your mag fucking myself with a huge vibrator. I was getting so worked up I could feel hot sticky pussy juice running down my legs.

I couldn't stop thinking of him looking at me in your mag while he was having a good wank. I was getting hotter and hotter as my finger was working overtime on my clit.

I couldn't hold back and in seconds I was having one of the most intense orgasms I've ever had.

As I lay there I remembered some very dirty photos that he had taken of me on my birthday and the incredible sex that followed.

He had taken me out for a meal that night. I had a fair bit to drink as you do on those occasions and was up for anything. As we sat there in the restaurant the talk between us turned very was feeling so horny thinking about the photos I could feel the juices already flowing in my cunt.

As we sat on the sofa we had another drink and he started groping my breasts.

his hand away and told him to go and get the camera while I got myself

"I STRADDLED HIS MOUTO WITH MY DRIPPING CUNT SO HE COULD BURY HIS TONGUE DEEP INSIDE ME."

dirty and he asked me if I would let him take some sexy

photographs of me when we got home.

I was a bit shocked at first because he had never asked me to do anything like this before but I was feeling so turned on that I said yes.

By the time we got home I

He gently massaged them one by one and I could feel my nipples getting harder and harder. Then he finally slid his hand down between my legs towards my aching cunt.

I think he was a bit surprised when he discovered I wasn't wearing any knickers. He started rubbing my clit and I knew that if he didn't stop I would cum too soon, so I pulled ready in the bedroom.

I thought to myself, you want some dirty pictures

some dirty pictures, that's exactly what you're going to get.

When he came into the bedroom a broad grin came over his face. He knew he was in for a dirty fuck.

As he took his clothes off I could see that his cock was already rock hard. He started

taking photos, telling me to play with myself using the vibrator.

I rubbed my clit with it and ran it up my sticky lips as he snapped away.

By the time he put the camera away I was ready for a good fuck.

I pulled him onto me and slid my mouth over his stiff cock to slurp and suck it like a dirty whore.

As he lay there on the bed I straddled his mouth with my dripping cunt so he could bury his tongue deep inside me and lick out all the juice running out of my wet hole.

I then knelt on the bed, sticking my slick cunt out at him and he took the bait, fucking me hard, doggy-style.

I could feel his body shudder every time he thrust into me. My cunt felt like it was going to

explode it felt so good.

As I started to cum I could feel his body arch and he filled my swollen cunt with his hot spunk.

We fucked all night and in the morning my pussy was sore but satisfied.

Please print these pics so my fantasy will be fulfilled. I'm sure my husband will be surprised and I hope it makes him feel horny as fuck. I can't wait for the all-night dirty sex session which I'm sure will follow!
